1. Activity Participation & Waiver

Students enrolled in the International Youth Program (IYP) will take part in supervised activities in and around Toronto (and Ottawa if applicable). While IYP staff will provide instructions and take reasonable precautions to ensure safety, I understand that all activities carry inherent risks, which could result in injury or, in rare cases, serious harm.

I consent to my child's participation in IYP activities and accept these risks. I, on behalf of my child, release and discharge IYP, its officers, employees, volunteers, and agents from any claims or demands arising from participation in the program, except where caused by negligence.

- Any damages found will be invoiced based on the cost of repair or replacement.
- Payment must be made in full before the student leaves Canada.

3. Medical Information & Emergency Treatment Authorization

To ensure proper care for my child, I have provided accurate health information in **part 4 – medical information** in the registration form.

I understand that IYP cannot guarantee an allergy-free environment, though staff will make reasonable efforts to minimize exposure.

As part of the program, IYP provides mandatory emergency medical insurance for every student, valid for the full camp period. This insurance is intended to cover emergency medical treatment, hospitalization, and related expenses as outlined in the policy. Parents/guardians remain responsible for any expenses not covered by the policy (such as pre-existing conditions, exclusions, or policy limits).

In the event of illness or accident where immediate contact with me cannot be made, I authorize IYP staff to secure medical treatment for my child, including hospital admission, diagnostic tests, medication, or surgery as recommended by attending professionals.

I agree not to hold IYP responsible for medical outcomes or costs beyond what is covered under the insurance policy.

IYP Camp Program Cancellation/Refund and Deferral Policy

To ensure fairness, transparency, and clear expectations, the following cancellation, refund, and deferral policies apply to all applicants (students, accompanying family members if applicable) for our camp programs.

Please read this policy carefully before submitting your application.

1. Registration Fee

A non-refundable registration fee of CAD 200 per person is required at the time of registration. This fee is non-refundable under any circumstances, including visa refusal, cancellation, or deferral.

2. Visa Refusal – Full Refund

If an applicant is unable to attend the program due to a visa refusal issued by IRCC (Immigration, Refugees and Citizenship Canada), a full refund of the paid program fee will be issued.

To be eligible for this refund:

- A copy of the official visa refusal letter from IRCC must be submitted.

3. Non-Visa Related Cancellations

We understand that sometimes plans change. In the event that an applicant must cancel the program, the applicant must provide a signed cancellation request form (please contact us to obtain this form). The form must be submitted to our office via email. Cancellations are effective from the date the signed form is received.

Refund Schedule:

- 8+ weeks before program start: refund 85% of the paid program fee
- 7-5 weeks before program start: refund 50% of the paid program fee
- 4 weeks or less before program start: refund 0% of the paid program fee

4. Deferral Requests

Applicants are allowed to defer their program to:

- A different intake date **within the same term**, or
- An intake date in **the next term**.

Example:

An applicant originally applied for the July 6, 2025, intake may choose to defer to another summer intake (e.g., August 3, 2025) or defer to a winter camp or summer camp in a following year, provided all eligibility conditions are met.

Conditions:

- We offer two program terms each year: summer camp and winter camp.
- If students (and accompanying parents if applicable) are unable to begin the camp program on time due to pending visa applications or other reasons, please make a deferral request **at least two weeks** before the original program start date.
- Deferral requests must be made in writing and are subject to availability and approval.
- Any price difference resulting from changes in program date, category, or term must be paid by the applicant.
- Each applicant is allowed only one (1) deferral.
- At the time of the new selected intake, the student applicant must be 17 years old or younger, as our programs are designed for youth up to age 17.

Important Note:

- Once a deferral request is submitted and received by IYP, the applicant is **no longer eligible** for a refund for any non-Visa-related reasons.
- The credit for the paid program fee will be retained for up to two (2) years, or until the student applicant's 17th birthday, whichever comes first. After this period, the credit will expire, and the applicant must reapply and pay full fees to join a future program.
